

## **MILKWEED SEED PLANTING EVENT**

**JOIN US!**

**Saturday, January 8th, 2022 10:00AM – 12:00PM**

Help monarchs get off to a great start this year! Children of all ages are invited to a winter milkweed planting event at the Warner Library Children's Pollinator Garden. Please bring any clear plastic salad containers minimum 3" deep. Soil and seeds will be provided for children to plant and take home their milkweed to overwinter outdoors. We will have lots of information on the fascinating connection between monarchs and milkweed and other native pollinators. Hot cider and cookies will be served!

Social distancing and masks will be required for participation. For more information, contact the Tarrytown Environmental Advisory Council (TEAC) at [tarrytownenviro@gmail.com](mailto:tarrytownenviro@gmail.com)
